

Introduced by Senator Chesbro

March 6, 2003

An act to make an appropriation in augmentation of the Budget Act of 2002, relating to contingencies or emergencies, to take effect immediately as an appropriation for the usual current expenses of the state.

LEGISLATIVE COUNSEL'S DIGEST

SB 1070, as introduced, Chesbro. Budget Act of 2002: contingencies or emergencies.

The Budget Act of 2002 appropriated specified amounts from the General Fund, unallocated special funds, and unallocated nongovernmental cost funds for expenditure for contingencies or emergencies upon written authorization from the Director of Finance. The Budget Act of 2002 also appropriated specified amounts for loans to state agencies for contingencies or emergencies.

This bill would appropriate \$143,964,000, as scheduled, in augmentation of these Budget Act appropriations. This bill would authorize the Director of Finance to withhold authorization for the expenditure of funds appropriated in the bill until preliminary estimates of potential deficiencies are verified.

This bill, in addition, would appropriate \$70,774,000 in augmentation of contingencies and emergencies for allocation to the Department of Corrections.

This bill would declare that it is to take effect immediately as a statute providing an appropriation for the usual current expenses of the state.

Vote: ²/₃. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.
